

2019 TAS Western Division Collegiate Meeting for Undergraduate Research.

Hosted by Jackson State Community College and University of Tennessee Martin, Jackson Center

General Information

The meeting will be Friday April 12, 2019. You will find abstract submission information as well as links to templates, directions, and parking maps below.

Instructions – (NO POSTERS)

Only **undergraduate researchers** are welcome to give a **12-minute oral power point** presentation in biology, chemistry, computer science, ecology, engineering, environmental sciences, geography, geology, mathematics, physics, bio-engineering or psychology. **Please utilize the TAS Western Collegiate Division 2019 abstract submission template ([Hyperlink](#))**. **Please indicate the topic/discipline in your email subject line** to facilitate the organization of sections. Abstracts that do not follow the template will be returned to sender for correction.

Abstracts: Due by Friday March 29, 2019

Send the abstract via email with the **appropriate subject line** to Mr. Claude Bailey (cbailey@jscc.edu).
