**Tennessee Academy of Science**  
2013 Annual Meeting Announcement  
Call for Papers

The 123<sup>rd</sup> meeting of the Tennessee Academy of Science will be held at Motlow State Community College in Tullahoma, Tennessee on November 15, 2013. Registration, poster sessions, the business meeting, the plenary session, and lunch, will take place in the Markham Technology Center, Room 105. Afternoon technical sessions will take place in designated buildings on campus; check the website prior to arriving or the meeting program at registration for location details. The physical address for the campus is 6015 Ledford Mill Road, Tullahoma, Tennessee.

The plenary speaker for this year will feature Dr. Molly Miller, Professor at Vanderbilt University for the past 35 years, specializing in paleoecology, clastic sedimentology, and ichnology. She regularly travels to Antarctica to conduct experiments in climate change. An engaging speaker and scientist, she teaches all levels from undergraduate introductory geology to advanced courses for graduate students. Her presentation titled, "Giant Trees at the Ancient South Pole and Giant Worms on the Modern Seafloor: Antarctica's Clues to Earth Processes and Change," will be of interest to all members of TAS.

Additional information, including forms for submitting titles and abstracts along with contact information for section chairs, is available at <http://www.tennacadofsci.org>. Titles and abstracts should be submitted to the section chairs by **September 30<sup>th</sup>**.

Any questions concerning the annual meeting should be directed to your section chairperson or to the meeting coordinator, Dr. Eugene de Silva [Eugene.DeSilva@ws.edu](mailto:Eugene.DeSilva@ws.edu). The form for meeting registration and membership renewal is enclosed and also available on the website. The deadline for mailing the meeting registration in advance is November 4, 2013.

For those needing overnight accommodations in Tullahoma, please contact Holiday Inn Express (931.222.1414) or Hampton Inn (931.461.5222) and request the government rate (\$77, plus tax).

We hope to see you at the Tennessee Academy of Science Meeting November 15th!

Kim Cleary Sadler  
President-Elect, Tennessee Academy of Science  
Associate Professor of Biology  
Middle Tennessee State University
