The *Journal of the Tennessee Academy of Science* was initiated in 1926 to publish science-based manuscripts of interest to people residing and working in Tennessee. Acceptable topics derive from the fields of astronomy, biology, chemistry, computer science, engineering, geography, geology, history of science, mathematics, medical science, physics, and science and math teaching.

The URL for the JTAS website follows: <http://iweb.tntech.edu/sstedman/JTASHomePage.htm>

Manuscript preparation guidelines are available online or in PDF format via a link at the JTAS website listed above.

To be considered for publication, submit manuscripts to <http://www.edmgr.com/jtas>. Specific questions regarding the online submission process should be directed to support@allentrack.net.

Manuscripts are reviewed by at least two appropriate reviewers and are subject to editing. Final acceptance of the manuscript is decided by the Managing Editor. At least one author of an accepted manuscript must be a current member of the Tennessee Academy of Science. A **charge of \$90 per published page is required** to help defray publication costs. Payment of page charges is expected prior to the mailing date of an issue.
