NOTICE TO AUTHORS

Manuscripts submitted for publication in the JOURNAL should be sent to the Editor. Manuscripts must be approved by the Editor and an appropriate reviewer before publication. Manuscripts should be submitted in duplicate, typewritten, double spaced with wide margins, and with legends for figures typed on a separate page. Recent issues should be consulted with regard to matters of style. Each table should be placed on a separate sheet. Greek letters and symbols should be avoided as much as possible.

Each paper should be supplied with an abstract not to exceed 250 words. Photographs (black and white glossy prints may be accepted as illustrations); however, line drawings and diagrams are preferable. Drawings should be made in India ink on white paper or Bristol Board. An article containing more than two illustrations can be published only with financial cooperation of the author.

A per page charge of $15 will be made to all contributors to help defray publication costs.

A blank form for ordering reprints from the printer is enclosed with the galley proof. The cost of reprints is as follows:

TAS requires at least one author of any published paper to be a member of the academy.

All articles and communications for publications, books and publications for review, should be addressed to the Editor. New subscriptions, changes of address and applications for membership should be addressed to the Secretary. Personal items, news of events in the scientific world, and other notes suitable for the "News of Tennessee Science" department should be addressed to the Editor.
