PROCEEDINGS OF THE EXECUTIVE COMMITTEE OF THE TENNESSEE ACADEMY OF SCIENCE AND THE TRUSTEES OF THE REELFOOT LAKE BIOLOGICAL STATION

*April, 1935, Meeting.* A joint meeting of the Executive Committee and the Board of Trustees of the Reelfoot Lake Biological Station was held in the biological laboratory of the Station at noon April 27, 1935. President George M. Hall presided. Others present were: Dr. William Litterer, Albert F. Ganier, Peyton N. Rhodes, John T. McGill, Richard G. Turner, and A. Richard Bliss, Jr., Director of the Biological Station. Twenty-six new active members and one sustaining member, Robert P. Mitchell of Union City, were elected.

The Secretary-Treasurer reported on the financial condition of the Academy and the Biological Station. The present status of the new appropriation for the Academy now being considered by the legislature was discussed but no action was taken. Other minor matters were also discussed.
