Entered as second class matter February 12, 1926, at the post office at Nash-
ville, Tennessee, under Act of August 24, 1912, acceptance of mailing at special
rate of postage provided for in Section 1103, Act of October 3, 1917, and
authorized September 16, 1931.

Published quarterly, in January, April, July, and October, by the Tennessee
Academy of Science at Nashville, Tennessee.

The Journal is sent to all members not in arrears for dues. The subscrip-
tion price is $2.00 a year, invariably in advance. Single copies 50c.

All articles and communications for publication, books and publications for
review should be addressed to the Editor.

New subscriptions, changes of address, and applications for membership
should be addressed to the Secretary. Personal items, news of events in the
scientific world, and other notes suitable for our "News of Tennessee Science"
department should be addressed to the News Editor.
