

ANNOUNCEMENT OF SPRING MEETING

TENNESSEE ACADEMY OF SCIENCE

OFFICE OF THE VICE-PRESIDENT

The University of Tennessee

Knoxville, Tennessee.

To Members:

The Spring Meeting of the Academy will be held at The University of Tennessee, Friday, April 20, 1928.

Any member of the Academy who is preparing or has already prepared a paper which might be presented at this meeting is requested to send title and abstract of paper, and to indicate time needed for presentation. Please state whether a lantern will be required.

The program committee will be pleased to receive notice of such papers not later than March 28th in order that papers may be selected and the program composed.

The general plan of the meeting follows:

Friday, regular sessions: 9:30 a.m.—12:00 noon
2:00 p.m.— 4:30 p.m.

Friday night: 8:00 p.m. Popular address (speaker to be named).

As a special added feature, the local committee has planned a trip to Mt. LeConte in the Great Smokies. The party will leave Knoxville early Saturday morning for a one-day or two-day trip into the mountains, as individuals may desire. Transportation will be furnished by Knoxville members. Suitable hiking clothes, including a small pack and a rain-coat, are suggested.

Sincerely yours,

L. R. HESLER,
Vice-President,
Tennessee Academy of Science.

March 8, 1928.
