

# A SCIENCE CURRICULUM

**Especially Arranged For Preparing Teachers of Science**

The prospective teacher may get a minimum of three years in one science (Biology or Chemistry), two years in a second science, and one year in the third science, with the courses in Psychology and Education required for a teaching certificate, including practice

teaching in science. Graduate work through the master's degree given in biology and chemistry in order to prepare teachers for the larger high schools or for teaching positions in small colleges.

*Write for catalogue mentioning the field of your interest to*
