NOTICE TO AUTHORS

Papers submitted for publication in the Journal may be sent to any member of the editorial staff. Manuscripts should be typewritten, double or triple spaced, with wide margins, and with legends for figures typed on a separate page. Recent issues should be consulted with regard to matters of style. Each table should be placed on a separate sheet. Footnotes should not be used except very rarely. Greek letters and symbols should be avoided as much as possible.

The style for the list of references should conform to the style used in recent issues of the Journal. This list should be headed Literature Cited. The following example illustrates the proper style to be used for references:

Photographs (black and white glossy prints) may be accepted as illustrations; however, line drawings and diagrams are preferable. Drawings should be made in India ink on white paper or Bristol Board. An article containing more than 2 or 3 illustrations can be published only with the financial cooperation of the author.

A blank form for ordering reprints from the printer is enclosed with the galley proof. The cost of reprints is as follows:
