---

Entered as second-class matter February 13, 1926, at the postoffice at Nashville, Tennessee, under the Act of August 24, 1912.

Published quarterly, in January, April, July and October, by the Tennessee Academy of Science at Nashville, Tennessee.

The Journal is sent to all members not in arrears for dues. The subscription price is \$1.00 a year, invariably in advance. Single copies, 25c.

All articles and communications for publication, books and publications for notice, and exchanges should be addressed to the Editor.

New subscriptions, changes of address, and applications for membership should be addressed to the Secretary. Personal items, news of events in the scientific world, and other notes suitable for our "Notes Here and There" department may be addressed to the Editor or Secretary.

---

The Tennessee Academy of Science is very anxious to include in its membership all teachers and professors of science, research workers in science both in educational institutions and industrial establishments, and all others who are interested in some phase of science. We invite you to join our organization and take part in our activities. The annual dues are: \$2.00 for members and \$10.00 for sustaining members. They may be sent direct with your application for membership to the Secretary.
