# Tennessee Academy Of Science Announces Distinguished Teacher Awards For 1977

The Teacher Awards Committee, Tennessee Academy of Science, annually selects one outstanding teacher from each of the several districts of the State for special recognition. This year the geographical areas do not correspond to congressional districts but with the State Department of Education's Developmental District Divisions across the State. The Distinguished Science Teacher Awards for 1977-78 were presented to the following teachers:

## **First District**

Mr. Alan Redmond  
Middle School Science  
John Sevier Middle School  
Kingsport, TN 37664
