

## **Future Meetings of the Tennessee Academy of Science**

**16 November 2012 (Centennial Meeting)**

Vanderbilt University, Nashville, Tennessee

**Fall 2013**

Motlow State Community College

**Fall 2014**

Walters State Community College

## **Institutional Sustaining Members of the Tennessee Academy of Science**

Austin Peay State University

East Tennessee State University

Middle Tennessee State University

Motlow State Community College

Rhodes College

Tennessee Technological University

The University of Tennessee at Knoxville

The University of Tennessee at Martin

Walters State Community College

The *Journal of the Tennessee Academy of Science* was initiated in 1926 to publish science-based manuscripts of interest to people residing and working in Tennessee. Acceptable topics derive from the fields of astronomy, biology, chemistry, computer science, engineering, geography, geology, history of science, mathematics, medical science, physics, and science and math teaching.

The URL for the JTAS website follows: <http://iweb.tntech.edu/sstedman/JTASHomePage.htm>

**Manuscript preparation guidelines** are available online or in PDF format via a link at the JTAS website listed above.

To be considered for publication, submit manuscripts to <http://www.edmgr.com/jtas>. Specific questions regarding the online submission process should be directed to [support@allentrack.net](mailto:support@allentrack.net).

Manuscripts are reviewed by at least two appropriate reviewers and are subject to editing. Final acceptance of the manuscript is decided by the Managing Editor. At least one author of an accepted manuscript must be a current member of the Tennessee Academy of Science. A **charge of \$90 per published page is required** to help defray publication costs. Payment of page charges is expected prior to the mailing date of an issue.
